

# What do you need to do?

It is important that you get involved. This is about where you live, shop, play, go to school, work, travel and walk... it will change, but together we can try and ensure it is for the better.

- Fill in a questionnaire. You can do this here (if you need help please ask) or take a copy away and complete. You can also fill it in online at [www.swjcs.org](http://www.swjcs.org)
- Tell your friends and neighbours. They need to know!

This exhibition relates only to Worcester City but is the first of a series across South Worcestershire at Malvern, Droitwich Spa, Evesham, Tenbury Wells, Upton-upon-Severn, Pershore; further exhibitions will take place in the villages and rural areas in the spring 2010.
